SUBJECT: Guidance for the Investigation of Fraud, Waste, and Abuse Involving the
Use of Purchase Cards and Travel Cards

In accordance with recommendations of the Department of Defense Charge Card Task Force final report issued June 27, 2002, the following guidance is effective immediately and will remain in effect until included in a DoD issuance.

In its final report, the Task Force recommended that the Inspector General of the Department of Defense issue guidance regarding the notification of supervisors and security managers when a purchase card or travel card holder comes under investigation for misconduct associated with the use of charge cards.

When a Defense Criminal Investigative Organization or Department of Defense organizational element responsible for investigating potential misconduct involving the travel or purchase card initiates an investigation into allegations of fraud, misuse, or abuse of authority regarding a purchase card or a travel card, the cardholder's commander or second-line supervisor, as appropriate, and security manager shall be notified. Wherever possible, this notification shall take place within 72 hours of the initiation. The term "commander" means a commissioned or warrant officer who, by virtue of rank and assignment, exercises primary command authority over a military organization or prescribed territorial area that under pertinent official directives is recognized as a "command."

Components should incorporate this guidance into their respective regulations/directives.
